All good Tim you are just relaying message I should know better than to brief up right after a meeting. Nothing about this is easy and everyone doing their best.

Take care

Hi Dawn,

I totally get it and I apologize. All I can do for now is answer the requests from the IC. If as a group you decide you can only send one or two by Friday, then that is the answer and plans will have to be adjusted. Not trying to cause frustration, I promise!

My apologies for the change. You are likely aware of what has changed.

The timeline of the request has changed. IC is now requesting that actions begin Friday for 7 days. Same request but arrive Thursday for actions beginning Friday.

Understanding that some teams may not be able to arrive Thursday, please advise what day your team can arrive.

Hello,

York can supply a section for Sunday and through the 7 days. I would suggest that a team that has not been on ground in Ottawa yet be approached to supply a section for the weekend. If those teams cannot supply the section for the weekend we can have further discussions on what team can go.

Good Morning,

Following our morning meeting I have had a conversation with Dave Springer and can provide the following updates:

- 1) The Command Team has provided the POU Planning team an updated strategic outlook and has tasked us with advising how to accomplish their plan.
- 2) **No action on Wednesday.** No direct actions planned before Tuesday following the long weekend.
- 3) The simple strategic concept is to allow teams to rest and regroup for the next few days and commence positive actions on Tuesday and operate continuously to end this event.
- 4) Our team will advise on tactics (start at Wellington and work out vs. the other way around)
- 5) We believe having teams arrive Sunday will allow for a briefing/training day to occur Monday so all teams will go to ground with a strong concept of operations to ensure consistent application amongst teams
- 6) **RESOURCE REQUESTS:**
 - a. **IC is requesting 1 team to arrive Friday to supplement OPS and OPP already here for a total of 3 sections in Ottawa for the weekend.**
 - i. **POU will NOT be engaging in foot patrol but will be QRT to incidents ONLY.**
 - b. **IC is requesting from the Hubs a confirmation of how many teams can the Hubs provide to attend and operate for 7 days (Sunday to Sunday)**
 - i. **We should consider that a second 7 day deployment may be required**
 - ii. **We will seek out of province resources to supplement what the Hubs can provide**
 1. **Gatineau and SQ are now at the table and eager to be involved**
 2. **We have had preliminary conversations with the military to assist with movement of out of province teams as required**
- 7) I have requested time for IC to meet with Hub coordinators and they will let me know when they have time today to brief/answer questions on the overall plan.
- 8) I will remain the liaison between the planning team here and the OPOAC team to try and keep communication streamlined
